

Covid-19 Local Rule for Bunkers

If a ball comes to rest in a disturbed area of a bunker such as a footprint or divot, the player is entitled to one-time free relief and should proceed accordingly:

- Lift the ball and smooth the sand evenly with your hand or foot (spot does not need to be marked).
- Place ball *as near as possible* to the *original* spot.
- The player may not “build up” the sand into a mound or a “tee.”
- Free relief is **NOT** available for “buried or plugged/fried egg” lies, ball under a lip, or if the ball comes to rest in its own trail.
- If free relief is taken, and the player subsequently makes a stroke and the ball comes to rest again in the same bunker, the player is no longer eligible for free relief.
